

VOLUNTEER AS A  
**READING BUDDY**  
BY PHONE OR MAIL

We have an Evert Elementary student who wants YOU to be his or her Reading Buddy! It's quick and easy, and we know you'll love it!

---

**HERE'S HOW IT WORKS . . .**

Week 1 (Oct. 25-29): We will schedule a short phone call so you can get to know each other.

The next 6 weeks: We will deliver a short note from you (sent via text, email, drop-off or regular mail), along with a book of the student's choice. We will let you know the book so you can encourage the student to read (and ask about last week's book). You may even get a letter from your student!

Week 8: We will schedule another phone call so you can celebrate your student's accomplishments!

---

**It sounds simple (because it is), but the smiles and excitement it builds around reading (and your friendship) are BIG.**
